

## A NATION OF CHAMPIONS BOYS IN EDUCATION WEEK

FOR OVER 40 YEARS THE WESTERN HEMISPHERE HAS BEEN EXPERIENCING THE PHENOMENON OF ACADEMIC UNDERPERFORMANCE AMONG ITS MALE POPULATION. THIS CONCERN WITH BOYS' EDUCATION HAS BEEN COUPLED WITH THE SITUATION WHERE MEN CONTINUE TO DOMINATE THE PRISON POPULATION AND ARE PURVEYORS OF CRIME.

A week of activities that gave boys the opportunity to highlight the positive and negative experiences in their school life, with a focus on raising awareness of the issues affecting boys locally and internationally; particularly black boys. Likewise, creating a space where UK, international and local stakeholders in education can discuss the challenges, good practices and solutions for addressing the concerns of boys.

IN OUR EFFORTS TO ACHIEVE THE 2030 VISION, THERE IS A RENEWED FOCUS ON THE EDUCATIONAL OUTCOMES OF BOYS.

KADEON BAILEY, PROJECT MAN-  
AGER

Creating a space where UK, international and local stakeholders in education can discuss the challenges, good practices and solutions for addressing the concerns of boys, while equipping young people with the skills, resilience and networks to find pathways to better lives.
